Dear Commissioner Parker:

The members of the West Haven Chamber of Commerce would like to congratulate you on your new position as Commissioner of the Department of Transportation. We know that with your expertise and connections you will do an outstanding job.

We would appreciate your help and support with our concerns over the elimination of the proposed Parking Garage feature and the reduction in parking spots at the West Haven Train Station.

We sent a letter to Governor Jody Rell on April 30, 2010 and to your predecessor expressing our concerns over the changes in the project. To date we have not received a response or acknowledgement from the Governors office..

Please review the attached letter. Your feedback will be most appreciated.

We thank you and we look forward to your assistance and support in this matter.

If we can be of any assistance, please feel free to call.

Respectfully,

Margaret Bucknall  
CO-Chairman of the West Haven Chamber of Commerce  
Legislation Committee
